## Who We Are

PMCentersUSA is an award winning training and consulting firm headquartered in Pittsburgh, Pennsylvania. We deliver complete solutions in project management and business analysis through our online training, public training, private training and consulting services. PMCentersUSA is dedicated to

helping our clients achieve excellence in corporate project management and business analysis. We have teamed with universities across the nation to deliver cross-industry and cross-functional PMI® and IIBA™ aligned training. We are now taking our training to the next step: We customize our training making it industry-specific to offer exceptional business value.

## What Makes Us Different

- **PREMIERE UNIVERSITIES:** We offer project management and business analysis education in association with four world class institutions of higher learning namely: University of Notre Dame, University of Pittsburgh, Drexel University and the University of Houston-Clear Lake.
- **STANDARDS BASED:** All courseware has been approved by the Project Management Institute (PMI) and the International Institute of Business Analysis (IIBA).
- **INDUSTRY FOCUS:** The programs are intensive and go beyond the fundamentals to profile major industry concepts, tools, techniques and processes used by benchmark organizations.
- **INDUSTRY-ALIGNED INSTRUCTORS/CONSULTANTS:** Our seasoned project professionals have been selected from business, industry and government agencies. They have a clear understanding of the challenges faced in today's industries. They bring a broad range of expertise to assist our clients in achieving increased organizational efficiency.

## HOW OUR CLIENTS BENEFIT

The skills that you gain can help your organization in several ways:

- **COST** – Deliver projects with less capital
- **TIME** – Deliver projects with reduced cycle times
- **QUALITY** – Deliver results with higher quality and reliability
- **THROUGHPUT** – Identify and remove organizational/project bottlenecks
- **RISK** – Increase the predictability of your projects

## WHAT WE OFFER

### CUSTOMIZED INDUSTRY-BASED TRAINING:

Our training is designed to ensure the education you receive can be effectively applied to your projects and organization. We customize our training to empower your teams to turn your business challenges into opportunities for growth and productivity.

Your employees will experience hands-on learning activities through customization of company/ industry specific:

- Case studies
- Examples
- Exercises

### INDUSTRY-ALIGNED CONSULTING SERVICES:

Our Senior Consultants focus in the areas of:

- Project Management
- Business Analysis
- Business Process Improvement

### We provide:

- Evaluations of existing processes
- Assistance for refining or defining methodologies and core practices
- Creation of project process and documentation
- Auditing and project reviews
- Executive coaching
- Mentoring of project teams
- Facilitation of process improvements

## WHY CUSTOMIZED TRAINING IS RIGHT FOR YOU

We leverage our university affiliations and work collaboratively with key stakeholders from your company to address your specific needs as well as incorporate industry-aligned best practices. Through a customized PMCentersUSA training program, your organization will not only have the freedom to schedule classes where and when you like, but will have a dedicated instructor team experienced in your industry who will lead you to:

1. Improve project success
2. Meet strategic business goals
3. Achieve breakthrough performance within your industry

As part of this customized training program, clients can also take advantage of our other offerings including online and public classes.
