## About Us

Founded in 1999, PMCentersUSA is a Small Business offering services in the core disciplines of Project/Program Management, Agile, and Business Analysis to help federal agencies and departments accomplish their missions and train their personnel. Some of our accreditations include:

- Project Management Institute (PMI)®, Charter Global Registered Education Provider (REP)
- 2021 PMI Authorized Training Partner (ATP)
- PMI® Professional Development Provider of the Year Award Winner
- International Institute of Business Analysis (IIBA)®, Endorsed Education Provider™ (EEP)
- Recognized by CIOReview Magazine as among the "Top Ten Most Promising Project Management Consulting/Services Companies - 2019"

## Consulting Services

Our experienced consultants can be engaged to:

- Supplement existing teams to manage projects/programs
- Reinforce adoption of standards-based practices, specific to your environment and/or unique needs
- Provide the functional expertise needed to lead a wide range of projects and support your strategic goals

Labor Categories/Consultants:

- PM/BA Subject Matter Experts
- Program Managers
- Senior Project Managers
- Senior Business Analysts
- Content Subject Matter Experts/Instructors
- Instructional Design Professionals

## Training Services

We offer public, private, and custom training that promotes knowledge transfer and fosters the development of competencies in: Project/Program Management, Agile/Scrum, and Business Analysis. We deliver our training through several learning venues, including:

- Private and custom training, offered on-site or in a virtual online platform
- University of Pittsburgh-aligned public PM & BA training through the Katz Graduate School of Business
- 100% self-paced, PMCentersUSA Saba LMS online classroom on-demand 24/7

## Past Performance & Clients

- For **SelectUSA**, a U.S. government-wide program: Delivered a 2-day on-site Project Management Overview course for the group's Washington, D.C. workforce
- A **U.S. Department of Defense agency**: Delivered a private, on-site training program consisting of eight iterations of a 2-day Requirements Analysis Management course for the agency's acquisition workforce at its two major campuses
- The **U.S. Department of Justice National Security Division**: Delivered a private program consisting of two on-site 8-Hr. Introduction to Project Management courses
- The **U.S. Air Force's 11th Civil Engineer Squadron at Joint Base Andrews**: Delivered a private, on-site 35-Hr. Project Management Professional (PMP)® Boot Camp course
