About Us

Founded in 1999, PMCentersUSA is a Small Business offering services in the core disciplines of Project/Program Management, Agile, and Business Analysis to help federal agencies and departments accomplish their missions and train their personnel. Some of our accreditations include:

- Project Management Institute (PMI)® Premier Authorized Training Partner (ATP)
- PMI® Professional Development Provider of the Year Award Winner
- International Institute of Business Analysis (IIBA)®, Endorsed Education Provider™ (EEP)
- Recognized by CIOReview Magazine as among the "Top Ten Most Promising Project Management Consulting/Services Companies - 2019"

Consulting Services

Our experienced consultants can be engaged to:

- Supplement existing teams to manage projects/programs
- Reinforce adoption of standards-based practices, specific to your environment and/or unique needs
- Provide the functional expertise needed to lead a wide range of projects and support your strategic goals

Labor Categories/Consultants:

- PM/BA Subject Matter Experts
- Program Managers
- Senior Project Managers
- Senior Business Analysts
- Content Subject Matter Experts/Instructors
- Instructional Design Professionals

Training Services

We offer on-demand, private, and custom training that promotes knowledge transfer and fosters the development of competencies in: Project/Program Management, Agile/Scrum, and Business Analysis. We offer our training through several learning venues, including:

- Private and custom training for groups, agencies or departments - offered on-site or in an instructor-led live virtual online platform
- On-demand, 100% self-paced learning packages available through PMCentersUSA Saba LMS online classroom 24/7

Past Performance & Clients
