## The Master's Certificate in Project Management from the University of Pittsburgh and PMCentersUSA

- > An in-depth and practical program that addresses the project management concepts outlined in the PMI® *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)* and *The Agile Practice Guide*.
- > These hours are PMI®-approved as Contact Hours toward certification or Professional Development Units (PDUs) toward recertification.
- > This private corporate training program is live instructor-led and delivered on site or online in full or half-day sessions to accommodate busy project professionals.
- > Courses address specific PM knowledge areas through instructor facilitated sessions complimented by group break-out sessions and individual exercises.
- > Students are challenged to handle a wide range of tasks hands-on through our case study projects that simulate the changing scenarios project managers face each day. This experiential learning gives students invaluable insights and enables effective knowledge transfer.
- > When the program is completed, students receive a Master's Certificate in Project Management from the University of Pittsburgh and PMCentersUSA.

You can view the courses in this program at

under the Corporate Training/Private Value Packages tab of the Project Management Services section of our website.

Corporate volume discounts are available.

### PMI® PMP® Exam Prep Training

- > We also offer organizations live instructor-led training for PMP® examination preparation, leveraging the 35 hour PMI® PMP® Exam Prep course. This private course can be delivered on site or online in full or half day sessions. Your team will experience an intensive review of the subject matter tested on this certification exam, along with a 200 question sample exam, and online access to self-study tools available from PMI.org.

PMCentersUSA is a national project/program management, project controls, agile, and business analysis training, consulting, and specialty staffing solutions firm headquartered in Pittsburgh, Pennsylvania. We are a Project Management Institute (PMI)® Premier Authorized Training Partner, an Endorsed Education Provider™ for the International Institute of Business Analysis (IIBA)®, and a past recipient of the PMI® Professional Development Provider of the Year award.

Since 1999, PMCentersUSA has enjoyed a university alliance with the University of Pittsburgh's noted Katz Graduate School of Business Center for Executive Education. Together we offer corporate training programs and stand-alone courses designed to transfer knowledge in our core disciplines as well as in their practical application in today's highly-connected business world.

PMCentersUSA is a U.S. SBA small business and also a federal supplier and GSA Contract holder (GS-02F-117AA) providing our specialized training and consulting services under SINS 611430 and 541611. For those eligible to purchase from the GSA schedule, you can view our Government Services at [www.pmcentersusa.com/government-services/](http://www.pmcentersusa.com/government-services/).

With the PMCentersUSA-Katz Team, you'll learn from our experienced instructors and our exceptional curriculum that includes case studies with hands-on exercises to enhance learning. Our courses go beyond the fundamentals to profile major concepts, tools, techniques, and processes used in today's demanding organizations.
